WHAT IS AN INTERNSHIP?

An internship is an experience in which a high school student learns by taking on a responsible role as a worker in a company or organization and then reflects on what happened while in the workplace. The Internship Program is a supplement to formal classroom instruction. Its intent is to significantly add to the vitality of the instructional program and to impact the courses that a student has taken or will take. The work experience should contribute to the student's career pathway helping the student to narrow their career choices.
