

Español 3 Honores con la Sra. Albano
Tuscola High School

MATERIALS: We will use Google Classroom and online language learning sites like conjuguemos.com. Pencils, highlighters, a charged Chromebook and a notebook.

Be in class every day! It is difficult to learn a new language if you are not in class.

Attendance will be taken at the beginning of class. If you arrive late, you **MUST** get a tardy pass in the ISS room before coming to class. If you miss more than 6 days, you must complete attendance recovery to pass the class.

SmartPass must be used to leave class for any reason. For Bathroom: Only 1 person may be out at a time, so if a computer is already on the front desk, you must wait to request a bathroom pass from SmartPass.

All cell phones and smart watches must be inside your backpack during class. You will get 2 warnings before a referral is written if I see your phone. Backpacks will be kept in the front of the room if these items are too distracting and you cannot keep them in your backpack. This is to help you concentrate and get an A!

Course Description: This course will address the three modes of communication: interpretive, interpersonal and presentational. Through these modes students will be able to:

- Engage in direct oral/and or written communication with others.
- Present orally and/or in writing information, concepts, and ideas to an audience of listeners or readers with no immediate interaction.

Students will be able to:

- Engage in original and spontaneous oral and written communications
- Demonstrate skills necessary to initiate, sustain, and close oral and written exchanges in Spanish that reflect past, present and future time.

- Comprehend the spoken and written Spanish language based on new topics in familiar as well as unfamiliar contexts that are presented through a variety of media.
- Produce and present well-organized spoken and written presentations as well as culturally authentic stories, poems, and skits in Spanish.
- Reinforce and broaden their knowledge of connections between the Spanish language and culture, and other subject areas including language arts, science, history, social science, mathematics, physical education, health and/or the arts.
