

Summer Reading Assignment for Honors English IV (Rising Seniors)

In order to be enrolled in this course, you must complete an extensive summer reading program to be completed at the start of the school year. You must read two books in their entirety: *Pride and Prejudice* by Jane Austin, **and** *Much Ado About Nothing* by William Shakespeare. An assessment on both pieces will be given at the start of school. The assessment will be counted twice in the major grade category, which represents 65 % of your grade. This assessment will include comprehension but more importantly analysis of each piece.

In addition, I am requiring you to email me with a personal introduction. I may email you information throughout the summer. My email is mmelville@haywood.k12.nc.us I expect your email of personal introduction by May 31st as your first minor grade of the school year.

Looking forward to next year!

M. Melville
